Begum of Bhopal Proves Valued Customer in Geneva.

Special Cabaret to the Star.

GENEVA, August 12.—The Begum of Bhopal, after spending a fortnight here, has left Geneva for Bombay. She arrived with thirty-two boxes and departed with 25, which filled two large trucks.

Each box was heavily laden with Swiss goods of all kinds, from silks and choco-

lates to wood carvings and musical boxes. The begum cleared out some jewelry shops. She bought a large quantity of jewelry, including 4,000 gold and silver watches. Such a customer has not visited Geneva since the time of Byron and the English milords of long ago.

Receiver for Motor Company.

CHICAGO, August 12.—A receivership for the Fiat Motor Company was ordered today. Creditors made the application, placing the company's assets at \$75,000, and its liabilities at \$150,000.

The private car San Juan was used to convey the special guests, Director Joseph E. Ralph, Frank Ferguson, assistant director; James Fisher, chief clerk; John R. Hill, chief of the engraving division; W. C. McKinney, chief of the printing division; A. L. Chappell, chief of the machine division; E. A. Smith, chief of the surface machine division; George P. Foster, international organizer of the Plate Printers' Union; Jacob Mason, foreman of transferers.

The athletic committee consisted of Alvin D. Wittington, chairman; Charles A. Hill, Charles Dean, C. R. Williams, Charles D. Miller, John Perry, Edward Ryan, J. Murphy, Charles M. Chalmers, Victor Bielaski and Adolph J. Hess. They were assisted by Thomas L. Curran, who arranged the heats and program of entries. The results were as follows:

## WINNERS IN GAMES

Events at Close of Playgrounds for Colored Children.

SUMMARIES OF THE EVENTS

Racing, Ball Games and Competition in Industrial Work.

FIRST AND SECOND HONORS

Four Groups of Participants in Live-ly Contests—School Officials Highly Pleased.

Extensive programs, participated in by hundreds of children, last Wednesday marked the close of the colored school playgrounds of the city. Supervisor Murch and Assistant Supervisor A. J. Turner personally visited each playground while the games were being played and expressed themselves as highly pleased with the results of the year's work, which they say has been the most successful in the history of the playgrounds.

During the morning and afternoon the boys and girls contended for honors in field and track events, including base ball games and soccer ball, while the visitors were mostly attracted by the excellent exhibitions of work done in the various handicraft, chair caning, and lace making, embroidery and crocheting by the girls.

PROPOSED ELECTRIC LINE

Washington and Old Dominion Company Selects Route.

BIG SCHEME OF DEVELOPMENT

Negotiations Under Way for Purchase of Bluemont Division of Southern Road.

With a new electric line, to be known as the Washington and Old Dominion line, connecting Washington with Falls Church, Va., and opening up a section as yet untouched by railroads, which will in all probability extend its lines in time to include the old Bluemont road of the Southern railway, citizens of Alexandria county, Va., are facing a new era in the development of the county.

It is now generally understood that while the survey has not been fully completed, the route of the new line has been practically determined upon. The road will commence just below Dominion Heights and will run through the Cullit estate, and the property of Harrison Hayes, near Toppley, where it will connect with the line of the Southern railway, and thence directly into Falls Church.

Want Bluemont Line.

It is understood among the business men of Washington that the projectors of the proposed line are negotiating with the Southern railroad officials for the purchase of the old Bluemont road. Surveys in connection with the lines being run for the route of the Washington and Old Dominion Railroad, are being made from the Falls Church, Va., to the Bluemont road, which will connect with the line of the Southern railway.

There is reason to believe that the new line will be closely affiliated with the Great Falls and Old Dominion line and there is a possibility that the two companies will be consolidated at some future time.

Real estate dealers of Washington and Virginia have been for several months soliciting options along the proposed route, with marked success, and report that the people as a whole are working in co-operation with the newly organizing company.

Will Serve Large Territory.

That this road will result in the development of a section of the country that has heretofore remained undeveloped on account of the lack of proper transportation facilities, is the opinion held throughout the country. There is a population of about 5,000 persons living within easy access to the proposed route, and should a line be built, it will traverse a thickly populated section.

With the surveys practically completed, it is expected that work will be commenced on the tracks within a very short time. The new line will be up to date in every respect, and when completed will be one of the best equipped in this part of the country. All options which have been made for the line will be held in the right of way have contemplated a strip of land sufficiently wide so as to permit the construction of a double track road.

Cost of Projected Road.

According to preliminary estimates it will cost practically \$25,000 a mile to build the road. Just as soon as the options for the right of way have all been obtained and the route definitely announced, active work on constructing the road will be commenced.

With the opening of this section between Washington and Falls Church, real estate agents are being sought for the line. It is believed that the road will be a great benefit to the people of the county, and that the line will be a great benefit to the people of the county.
